The **FORMULATED PRODUCTS** Site has completed the removal process and requires no planned site assessment work, related oversight, cost recovery/other enforcement work, and has no further Federal Superfund activity anticipated based on available information. The date of the Cost Recovery Decision Document (**08-14-1997**) will serve as the Administrative Record closeout and the WasteLAN archive date. Your immediate attention to this matter would be greatly appreciated. If you should have any questions feel free to contact me.
